A Note from AHDI-FL President...

Vallie Piloian, CMT, AHDI-F

Think. Research, explore, question, contemplate.

Believe. Believe in yourself with undaunted faith that you “can.”

Dream. Dreams are the forerunners of reality. Dream big and expect positive results.

Dare. Have the courage to do. Try. Then try again. Dream your dreams believing all the while that they will come true. Base them on the same values and principles on which you base your life!

- Walt Disney

In 2006, I used this quote at the beginning of my first president’s message for AHDI. Today, I still feel it speaks for my personal philosophy toward the potential future of this profession that I so dearly love. These are exciting times and scary times for our generation. As members and leaders of AHDI-FL, we must continue to **think, believe, dream, and dare** beyond our current boundaries to visualize our new future within the electronic healthcare environment...continue to embrace new technologies and learn the latest in compliance and regulations to stay one step ahead.

AHDI-FL continues to look for new opportunities to assist and educate our members to evolve and grow. We kicked off the year with a successful Medicolegal Kickoff in Orlando with over 75 attendees and three awesome speakers. Next on the agenda...the 28th Annual Meeting and Educational Conference in Fort Lauderdale on May 14 and 15! This meeting promises to be full of opportunities to learn about the latest medical and technology trends through our supporting vendors, dedicated speakers, and networking with colleagues and friends from around the country.

I challenge you to **think, believe, dream, and dare** for a new valued place in the electronic healthcare environment...dreaming big for our next generation!

Looking forward to visiting with you in May!!

Chapter News Around Florida

GREATER JACKSONVILLE CHAPTER REPORT

The Greater Jacksonville Chapter has a couple of new board members and some familiar returning faces this year. Our current slate of officers is:

President: Sherry Martin, CMT

Vice President: Jo Anne York, CMT

Treasurer: Carmen Tyler, AHDI-F

Secretary: Danielle Richmond

Board Members: Jan Blanco, CMT & Lorraine Sitton, CMT

GJC started the year off with a bang with our first chapter meeting which was held on January 23rd at Baptist Medical Center. Our speaker was Dana Merritt, MS, CCC-SLP, of Merritt Speech & Language, whose topic was “What is the Mirror Neuron System?” It was a fascinating talk about how the human brain responds automatically to mirror triggers and how we don’t even realize that it is happening. We had a great turnout and signed up several new members for 2010!

Danielle Richmond also recently got us set up with our own Facebook page which is slowly gaining members as the word gets out.

It is the board’s goal that we hold all regular board meetings via webinar this year. Kristin Wall is helping us with this. Our next board meeting will be on March 9th. We’re looking forward to working with this new technology.

Our previously announced schedule of meetings has changed slightly this year due to a scheduling conflict for our originally scheduled March meeting. Our current chapter meeting schedule is as follows:

1. April 10th - Proton Therapy Facility Tour - Shands Jacksonville, 10 a.m. to noon.
2. June 21st - Chapter meeting, location Library TBA, 6:30 to 8:30 p.m.
3. September 23rd - Student Night, College location TBA, 6:30 to 8:30 p.m., speaker Kristin Wall on “Two Year’s Experience Not Required.”
4. October 23rd - Fall Forum & Annual Business meeting - Baptist Medical Center, Doctor’s Dining Room, 8:30 a.m. to 1:30 p.m. - 3 speakers TBA, emphasis on voice recognition technology, possible hands-on demo, VR QA discussion.
5. December 11th - Holiday luncheon, installation of 2011 officers, location TBA

It is the goal of the Greater Jacksonville Chapter this year to increase our membership by 10 members for 2010. Our chapter membership totaled 49 members at last year’s Fall Forum in October 2009. We hope to have 59 members by this year’s Fall Forum, and we’re already well on our way towards that goal.

CENTRAL FLORIDA CHAPTER - AHDI

The Central Florida Chapter has started the new year off with a brand new Board and some very exciting events planned.

Our 2010 Board members are:

Sue Schoonover, President

Patty Johnson, Vice President

Sue Sumser, Treasurer

Rebecca Coffey, Secretary

Karen Adams, Membership Chair

Our first chapter meeting of the year took place on January 19th, where we had an inspiring presentation given by Jennifer Sigmon, MS, LMFT, whose topic, "Bearing Witness to Bottom Up Psychology: Commitment to the Process" gave us much food for thought for the new year and some tools to handle the stresses of everyday life.

For our program in February, we were on the road again for a field trip to the Florida Hospital Imaging Center, a centralized location where all of Florida Hospital's charts are sent to be scanned, analyzed, and transformed into an electronic form. This was a terrific program, and despite the poor weather, about 45 chapter members showed up to visit this site.

On March 20th we are planning our Spring Symposium at Seminole State College in Altamonte. On the program will be Dr Michael Angelis, who will speak on abdominal organ transplants; Randy McCown, RN, who will speak on venous access; Betsy Ertel, whose topic is TBA. We will also hold a panel discussion with seasoned professionals on the topic of "Medical Transcription-Job Vs. Career-The Choices We Make." It should be an awesome event not to be missed.

Our chapter meeting on April 20th will feature Annette May, MA, CCC-SLP, oncology speech coordinator at MD Anderson.

***Sunscripts*, Florida's Newsletter**

The plan for 2010 is to publish a newsletter approximately a week following our 4 board meetings and in that way, make news relevant from the reports we receive for our meeting. Additionally, a call will go out for flyers for chapter symposia and any chapter news of note.

I would like to propose that we step it up a notch and have an editorial on a topic of national interest regarding our industry in our newsletter each edition. We are now a website feature and MTs across the country visit our site and read Sunscripts. We have some very astute members in our state and I think it is important to highlight our professionalism and to encourage membership to write for a national, if not international audience.

Please consider this at your chapter board meetings and come back to me with either a name of a volunteer (not the gal with the full bladder) and/or a commitment by a few of our board members or a chapter board to put together a piece of note.

Our quarterly board meetings are scheduled Feb 15, May 3, July 26, and Nov 15. With regard to the May publication, it is my thought that I hold this issue until after our AMEC in Fort Lauderdale and post a really comprehensive meeting newsletter with photographs and comments about our annual meeting. Others will come out approximately a week to 10 days post meeting.

As always, I am interested in any thoughts for articles, features, content. And again this year, I am not your mother or the maid, so please have your paperwork in to Vallie for chapter news and all other reports so that I will not have to send email reminders/threats!
